

31 Days of Glory

For the entire month of May, we celebrate patriotism and remember those who have fought and died for our freedom. We, as a community, take time to express our respect and appreciation to those who have served and are serving, as well as say "thank you" to their families for their sacrifice and support.

Let **your** voice be heard.

WFSS is offering a 31 Days of Glory Day Sponsorship package. You are invited to record a thirty second message in your own voice, that will air ten times in one day during the month of May. Take time to show your appreciation, respect and support for our troops. We will be happy to help you with scripting your message. Please call Kathy Klaus at 672-2041 or Kimberly Durden at 672-2029 for more information or to schedule a time to record.
